MELBOURNE WINTER BASEBALL LEAGUE INC.
PRESIDENT'S REPORT – 2022 SEASON

2022 marked the first full season back from COVID, with the season running without lockdown, or major event. It was sensational to see the players on the field and competing in the sport they love.

It however was not without its challenges. The start of the season – particularly around juniors was difficult, with clubs running into issues of player numbers early. The last finish of the summer season, coupled with charter tournaments made the start-up of winter difficult.

But our numbers were solid. Our junior numbers had increased this year – up by nearly 5 teams. That is a great indication of growth, though with the number of players in rookie ball systems reduced to 7, there may be some difference around team numbers from previous years. Senior teams reduced by 4 teams this year. Sitting at 107 teams, we are still in a very strong position. We are the biggest winter baseball league in Australia. Comparatively, the VSBL has around 140 teams, which shows you the strength of our winter program.

For 2022, the women's competition stood on its own, splitting out from the DBA joint competition of previous years. Whilst the joint competition provided extra teams, it was a great result for our women's clubs, who were able to field 6 teams in the MWBL Women's competition – creating a sensational springboard for future years of continued growth and development.

Representative Baseball returned, with all State Winter Championships being run and won. Congratulations to all winners, and MVPs from their respective teams. The tournaments were played in good spirits, and with the right love of the game.

I'd especially like to thank all coaches, assistant coaches, team managers, scorers, organisers, and volunteers around the tournament. These volunteers step up and provide a great environment for the players. It is a credit to them that they donate their time so willingly.

Financially, the league has reported a good year. We are in a strong position to launch into a full building phase of the league, a build into 2023 and beyond. There are finances available to help clubs grow, particularly junior sections. The league stands ready to assist in the growth and development of the clubs and is keen to help where we can.

The past few years have been difficult. We recognise this and want to help where we can. One area of focus that all clubs should put their energy towards is the growth of juniors. Whilst it is not easy, and clubs have been striving for this, it remains as the biggest challenge for our sport, and the future of all clubs.

The league has been lucky enough to receive a grant for CLUBMAP education this year. Over the next period, we will be starting to engage with CLUBMAP to work through the process of improving structures and working on how we can help support clubs in better ways. One of the areas they suggest looking at is how to get more volunteers involved in smaller roles. That is one area that we could really use your help with.

Volunteers are the backbone of our clubs, and the league. The board are all volunteers and doing what they can to assist. But we need deeper assistance from clubs, and from members. It is for all clubs and members that we work hard to put a season on each year. Some extra volunteering to help us get better results and do more at any given time. I beseech everyone to think about small ways that you may be able to help.

2023 is coming fast. Over the coming weeks, planning will need to start for the 2023 season, and some information will start to flow, as the new board takes up their positions. Please enter correspondence early and often. The board wants the feedback. They want to help, and if you have suggestions, we want to hear them. More collaboration can only help us moving forward.

Finally, I'd like to thank all the board members and volunteers for their hard work and service over the past 12 months. It has been a hard year, with hurdles, and extra work this year – for many of our board members, it was the first time we've been able to play a full season, with full SWC. I appreciate the long hours and hard work that you have all put in.

I'm looking forward to seeing what the next 12 months can bring for our great sport.

The League decreased to 107 Senior teams with a loss of 4 teams over last year but increased Junior teams to 64 an increase of 4 from the previous season.

The League welcomed the expansion of the women's competition with the inclusion of teams from Ringwood and St Kilda but unfortunately lost the La Trobe University team

Thank you to the MWBL Board members and sub-committees for help throughout the season. Thanks to the Clubs and their administrators for their co-operation and help through the season in the overall administration of the league.

Thanks to the Pennant Committee chair David Rice and the other pennant committee members for their deliberations and decision making that is needed during a busy season. Thanks to Geoff Dunn (Chair), David Welsh (Development) and Denis Dalzotto (Secretary) the MWBL Umpires panel executive for their help in administration of the umpires and the umpires for officiating of games.

Results and ladders for senior and junior competitions were updated on Sunday mornings for the clubs and player information. The emailing of game scores and match sheets is working well. The checking and signing of match sheets by managers in the lower grades are still an issue as is the awarding of MVP votes.

I look forward to the 2023 season and working with all our affiliated clubs.

PENNANT COMMITTEE REPORT - 2022 SEASON.

Finally, a full season after the covid pandemic total shutdown of the 2020 season and the partial shutdown of the 2021 season after eleven rounds, and not allowing for any finals, with the result the ladder leaders at that time declared minor premiers for the senior and junior grades.

The start of the 2022 season proved difficult for most of the clubs not knowing who would be returning to play with the result clubs found it hard when it came to nominating team entries and in what grade especially in the lower senior grades and the junior grades.

After a stuttering start with a number of clubs withdrawing teams or requesting change of grade and with a few clubs adding additional teams, especially, with junior entries proving to be the most difficult in trying to produce fixtures. After a couple of weeks things settled down to have 11 senior grades, the MWBL Women's grade and 10 junior grades

Some minor changes to the Match conditions at season start for senior and junior grades to allow more flexible use of players for the clubs. However there needs to be a revamp of Match Conditions to incorporate the women's rules to accord with the senior rules.

Clubs were given a chance to have an input into the match conditions, grading of teams and other on field issues at the regular monthly zoom meetings.

The committee had to deal with a number of issues throughout the season with a small number of clubs penalised for not adhering to the league's rules in regard to junior requirements, for on field behaviour and noncompliance of rules in particular the wearing of steel cleats in junior grades with one person suspended for 5 games and clubs given heavy bonds.

The finals proved a difficult task due to the prolonged wet weather in August and September which did not allow for a large number of grounds to be able to be used for the finals. A number of junior finals were affected and were not able to be played at all. Fortunately, we managed to get all grand finals played in between the rain events.

Thank you to all those clubs that answered the call and went out of their way to help the league get as many finals games played on some grounds not normally used for finals.

My thanks to the pennant committee members, Peter Dihm, Julie Jones, Telen Stanfield, Luis Mayo and also Michael Chambers the league administrator for their time discussing and adjudicating the many and sometimes difficult decisions as was required.

Thank you also to the MWBL Board for their help and input into the many decisions that need to be made throughout the season

WOMEN'S LEAGUE – 2022 SEASON REPORT

This season saw the first MWBL standalone women's competitions in many years. While we were testing the waters in many ways, it was a broadly successful season with SE Warriors winnings not just the MWBL competition, but also the Cross River game against the DBA competition's champions.

With six teams we had enough for a solid standalone competition. I'm looking forward to the future growth in both numbers and strength as the newer teams to the competition mature, and more teams are added.

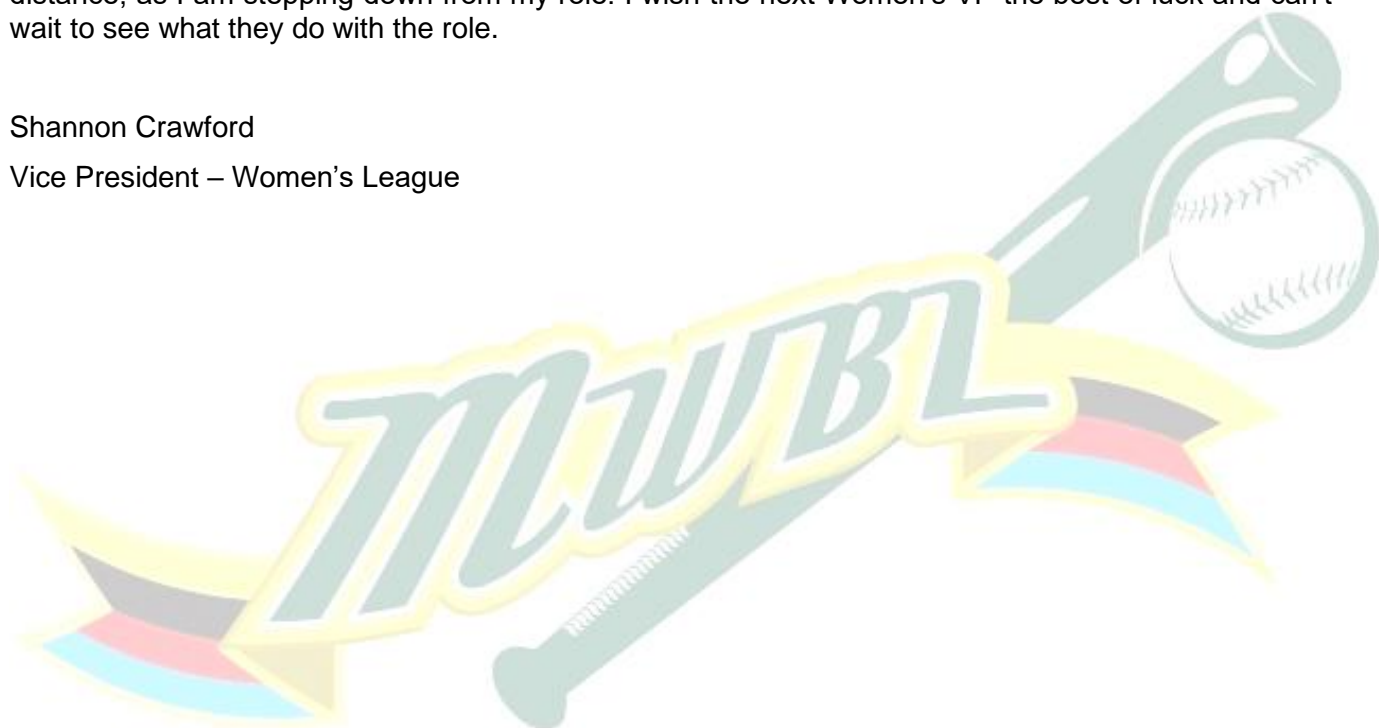

We were lucky enough to work to maintain the relationship with the DBA, that has been so crucial to providing a competition over the last few years, through a Cross River game which saw the champions of both leagues play off against each other. I am looking forward to the MWBL hosting this next season and hope teams from both competitions came to the ground to watch a fun game of baseball.

In the future I would love to see the MWBL and DBA look into potential adjustments that can be made to the Cross River game to alleviate pressure on one team at that busy part of the season.

While I believe the future of the MWBL women's competition looks bright, I will be observing it from a distance, as I am stepping down from my role. I wish the next Women's VP the best of luck and can't wait to see what they do with the role.

DIAMOND VALLEY JUNIOR BASEBALL ASSOCIATION – 2022 SEASON REPORT.

2022 Diamond Valley Junior Baseball Association saw the return to the diamond post pandemic which sadly saw the cancellation of all Baseball across Victoria in 2021.

The start of the 2022 seasons saw its own challenges not only with Covid but the challenging wet weather, seeing some round 1 junior games cancelled. However, in saying that the games that did go ahead the passion and enthusiasm from kids, parents, clubs, and volunteers getting diamonds ready was motivating– nothing was too hard, dirty, or wet.

The Diamond Valley Junior Baseball Association had strong representation across all junior age groups on Saturday mornings from T-Ball (in house) Rookie ball, Under 13 Major & Minors (Mill Park) U15 D1 & D2 (MWBL) U17 D1 & D2 (MWBL). The 2022 season saw some clubs have standalone teams and some clubs merged with clubs just to get kids onto the diamonds- Thank you all.

This year's 2022 Victorian Winter State Championships saw the Diamond Valley Junior Baseball Association send U12, U14 and U16 teams. Thank you to all Coaches, Assistant coaches, Executive Officers, Scorers, Parents/Guardians, Players, Clubs, uniform suppliers and all the volunteers behind the scenes that ensure these events happen.

We are all here because we love baseball, our clubs and the junior players that form the Diamond Valley Junior Baseball Association– I would like to thank Essendon, Diamond Creek, Doncaster, Greenhills Montmorency, Greensborough, North Coburg, Research, Watsonia, and Westgarth Baseball Clubs and their Junior Delegates that saw 100% attendance at all the 2022 Delegates Meetings. This commitment to Junior Baseball in North saw an increase of junior players from 2021 by 4 teams.

Sadly, this was my final year as the Diamond Valley Junior Baseball League Vice President and Melbourne Winter Baseball Chair, I will be stepping down due to ill health. I would like to thank the Melbourne Winter Baseball League Board members and committee for their ongoing support and guidance over the past 3 years.

Finally, to all our volunteers, grounds keepers, line markers, umpires, canteen workers, secretaries, treasures, cleaners, and everything in between without your ongoing support week in week out Junior Baseball in the North wouldn't be as strong as it is. THANK YOU!

Elizabeth Every

Melbourne Winter Baseball League Vice President and
Diamond Valley Junior Baseball Association Chair.

CITY WEST JUNIOR BASEBALL LEAGUE – 2022 SEASON REPORT.

From our humble beginning, it is clear to see that we are heading in the right direction by offering the opportunity for our juniors to continue playing baseball throughout the winter months. In addition to playing winter club baseball, there is also the opportunity for our juniors to compete at a higher level by participating in the State Winter Championships. This year saw City West field teams in all age groups, including our inaugural U18s team in the state winter championships, which was a real milestone for our league.

Thank you to all clubs for their participation in the City West Junior Baseball League for winter 2022.

It is all of our clubs that help make our league the success that it is and the fact that we fielded 14 teams across 3 age groups is a credit to them all.

Club	Tee Ball	U13s	U15s	U17s

2022 WINTER CHAMPIONSHIPS

My many thanks go out to all involved in the Winter Championship, coaches, assistant coaches, scorers and Executive Officers, players, and parents.

The roles of the officials are so vital, and your contributions are priceless.

It is vitally important for all clubs to continue to help grow and to foster winter baseball for the juniors. From Tee ball, right through to U17s, we need to keep our players engaged and to keep offering them the opportunity to play winter baseball. This in turn helps our summer baseball programs with player retention and development.

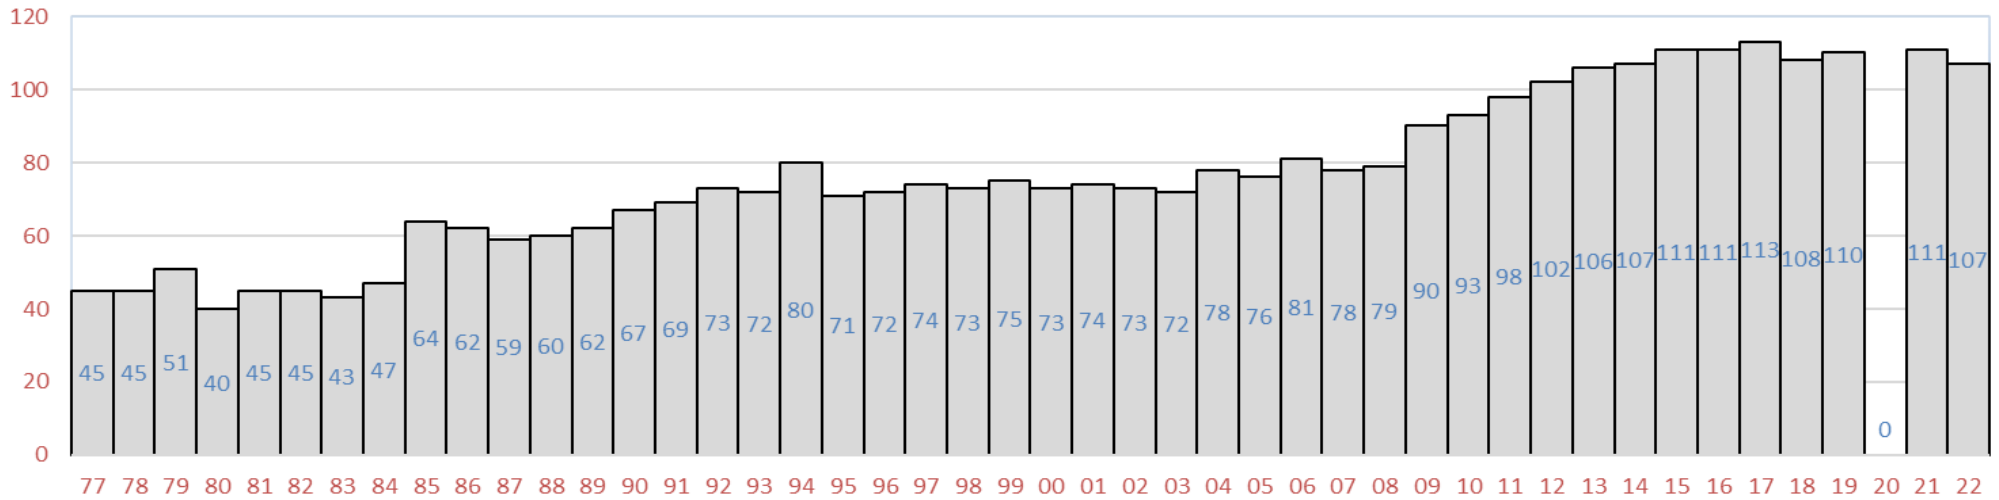

I would like to thank the MWBL board for all their support over the 2022 winter season. There are many curve balls thrown their way and without the dedication of the board members, we would not be able to field our teams in the professional manner that we do.

Finally, I would like to thank Mark Riches in particular, who has sacrificed so much time for our league in the way of coaching on many levels, organising the Winter Championships, attending numerous MWBL board meetings, as well as the junior delegate meetings, making and fielding many phone calls throughout the season. Mark's workload makes my job so much easier, and I cannot thank him enough.
