MELBOURNE WINTER BASEBALL LEAGUE INC.
PRESIDENT'S REPORT – 2025 SEASON

Thank you for the opportunity to serve as President of the MWBL throughout the 2025 season.

I extend my sincere appreciation to the MWBL Board, Club Presidents, and all member Clubs for their support during my first year in this role.

Special acknowledgement is given to our umpires, coaches, managers, scorers, canteen and grounds staff, players, parents, and spectators. Our sport relies heavily on your ongoing commitment and volunteer efforts.

The Board prioritised improved transparency and communication in 2025. Key outcomes included:

- Strengthened social media communication
- Prompt response times to emails and calls
- Increased use of WhatsApp group messaging

Feedback from clubs was positive, and we aim to increase engagement further in 2026.

The MWBL supported club development through new initiatives:

In partnership with BA/BV, we introduced a tee-ball program to support junior pathways.

- 7 clubs participated
- Clubs received funding through BV registrations
- Comprehensive coaching and lesson-plan resources were provided

We aim to see increased participation in 2026.

MWBL was the first league to participate in BV's new Wellbeing and Safety initiative. Despite early challenges, clubs helped shape the program into a more baseball-specific and club-focused resource.

This program supports:

- Safe and inclusive club environments
- Whole club culture development
- Improved communication and member wellbeing practices

Thank you to all clubs that actively participated.

Participation numbers for 2025 showed positive movement, particularly in Juniors and Women's competitions:

Competition	**2024**	**2025**
Juniors	75 teams	**78 teams**
Women	11 teams	**14 teams**
Seniors	110 teams	**125 teams**

Junior and women's participation continued to grow strongly.

In 2025, the SWC restricted entries to one team per district/age group to ensure venue capacity and safety.

MWBL successfully fielded teams in all groups.

- Diamond Valley U15 won the Division 1 Final
- Seniors, Women's, and Girls Invitational in Geelong was unfortunately washed out after the first day

Investment:

- New tents for all districts
- Coach and scorer equipment tubs

Planned future investment includes signage and uniform updates for 2026.

The league finished the 2025 season in a stronger financial position than it began. Contributing factors included:

- Careful budgeting
- Tighter management of outgoing invoices
- Strategic planning overseen by the Treasurer

Clubs are reminded to consider applications for the Promotion and Development Fund ahead of the 2026 season.

Thank you to all clubs, volunteers, and members for their support and commitment throughout 2025. I look forward to working together for a successful 2026 season

The League increased to 135 Senior teams up from 126 in the last season but had a decrease in Junior teams from 83 to 77 from the previous season.

The League also welcomed another new club in Alfredton and a further expansion of the women's competition with the inclusion of additional teams from Heathmont, Waverley and Monash University bringing the number of teams to 14.

The Match review Officer and Tribunal members were keep busy with 13 players being ejected over the season 5 of which chose to appear before the Tribunal.

Thank you to the MWBL Board members and sub-committees for help and guidance throughout the season. Thanks to the Clubs and their administrators for their co-operation and support through the season in the overall administration of the league.

The emailing of game scores and match sheets continues to work well with only a small number of late submissions over the season. The checking and signing of match sheets by managers in the lower grades are still an issue as is the awarding of MVP votes.

PENNANT COMMITTEE REPORT - 2025 SEASON.

The 2025 season was my first in the position of MWBL Pennant Chair and a big focus was for the MWBL to continue as the Premier Winter Competition in Australia. A massive thankyou to the members of the MWBL Pennant Committee for their support, in particular David Rice who had done a great job in the role for the last few years and continued to provide counsel across the season.

We started the year modernising the Match Conditions, updating the order in which they were presented to make them easier to follow and aligning some of the wording to simplify the interpretations, particularly for members that play in both seasons in Victoria. This also included a Junior Rules Summary to support Junior Coaches/Managers. Feedback was positive that these made the ruleset easier to understand and it was reflected with minimal breaches reported across the season. We took on board several further requests from clubs to review match conditions and rules which have been reviewed by the Pennant and clubs will get the opportunity to provide feedback / adopt these prior to the 2026 season.

We had another increase in teams across all grades which led to some changes in the delivery of some of our grades. We were able to get 7-10 team grades in majority of the competitions, and the 14 D / D Res clubs were offered the opportunity to determine how their season progressed. Majority of clubs decided to preference playing in regions and the grades were split into a Red (North-West) and Green (South-East) pool which also allowed more teams to play finals in these grades. We want to thank all clubs for working with the league to ensure the best outcomes for all teams which saw the competitiveness most grades improve, reflected by finals spots in nearly all grades coming down to results as late as the final round.

Similarly in the Juniors, in discussion with the district Vice-Presidents, we amended the structure of the Junior Competitions to move away from District based competitions to a league wide competition in all grades above U13 Minor. Prior to the June long weekend, clubs still played in localised district-based games which acted as quasi-grading games before being split into Red and Green Pools in U17 Div 2, U15 Div 2 and U13 Major for the second half of the season. Whilst there were some initial teething problems with some additional travel, the improved competitiveness of all games hopefully led to better experiences for all participants which will hopefully improve the retention of our Juniors.

The Women's competition continued to go from strength to strength with more teams in the league highlighted by the Gala Day at the start of the year hosted by South-East Warriors and culminating in the Grand Final Day at Myrtle Park. Moving to a 2 Division structure this year allowed for better quality games and strong competition. We again hope to see more clubs get involved in future seasons and improve the product we can provide for this competition.

A challenge for all clubs and the MWBL as we continue to grow will be meeting the demands of field usage. We are already using 85% of club grounds for Junior games in addition to up to 10 games at Mill Park Softball complex and similarly in Seniors where 85% of club grounds were used on any given Saturday. This challenge will likely only be overcome with more fields coming online with game standard lights or more grounds becoming available. This is something the MWBL is happy to support in any discussions you may have with your relevant bodies.

I also want to thank the MWBL Board, and Natalie for their support this year. I am full of big ideas on how to continue to improve the delivery of MWBL Competitions for all members and they were willing to listen to a lot of them. Together we worked well as a team to provide a high-quality product that we should be proud of. Likewise, to the clubs for ultimately making my role easier by being cooperative and supportive. I hope to continue to build good relationships working together to support your members achieve the best possible outcomes.

Cheers

Patrick White

WOMEN'S LEAGUE – 2025 SEASON REPORT

The women's baseball competition continued to grow this season, from 11 teams in 2024 to 14 teams in 2025. We started this season with two divisions, with 6 teams in division one and 8 in division two. Congratulations to our two divisional premiers, University of Melbourne – White (Division 1) and Latrobe University (Division 2).

With the new university finals eligibility requirements in place this season, we saw university clubs rising to the challenge with two teams from Melbourne Uni and standalone teams from Latrobe and Monash. We also welcome a number of new teams across the divisions, welcome and well done to those teams for their progress in establishing and running their women's programs!

> Division 1: University of Melbourne Blue and White, Research Lower Plenty, Southeast Warriors, St Kilda and North Balwyn
>
> Division 2: Monash University, Diamond Creek, Southeast Warriors, La Trobe University, Waverley, GMBC, Heathmont and North Balwyn

In our third year of competing in the State Winter Championship, we made the choice to send a women's and a girls' team. We were very pleased to have the MWBL Women's and Girls competing over one day, with the second day being washed out with heavy rain. While the weather gods weren't on our side, the coaches and players mentioned that it was still a fun weekend away with their teams. I'd like to say thank you to our coaches, EOs and scorers from the weekend, including Mick Warwick, Kira Jansen, Sarah Anton, Kirsty Fairservice, Beatrix Cobon and Sofia Stensholt.

A highlight from this season was the joint community session run between the GMBC, Diamond Creek and Research teams. The leaders in our women's baseball community are working hard to give their players more opportunities to learn and develop, and by joining across teams they were able to make that a reality. Well done to those clubs, and we are hoping to create more opportunities like that in the coming years.

A big thank you to the Board for their support, our supportive crew of umpires, and all the club volunteers who work so hard to make sure women and girls feel welcome and supported in the baseball community. Thank you for the opportunity to do this role for a third year, I've enjoyed working with our delegates to continue building our baseball community. Best of luck to all teams in the 2025, and to all clubs looking to join the women's competition next season.

DIAMOND VALLEY JUNIOR BASEBALL ASOCIATION – 2025 SEASON REPORT.

Season 2025 saw a new person take over the role as the Diamond Valley Junior President as it was vacant earlier in the year, this allowed the board to have continue communication with the clubs and their junior coordinators. As with the previous season, a chat group was created to allow communication to be free flowing and everyone informed together. Something that made communication far easier and should be continued going forward.

As a person in this position for the first time I found the other members of the Board to be very helpful and I especially thank the efforts of Natalie and Ali, both were always up for a chat and gave advice that was much appreciated.

45 Diamond Valley Junior teams participated during the season, a number that is showing the growth of the sport in the area. Hopefully this number continues to climb in the future. I would like to congratulate the clubs for their efforts in the pursuit of more junior teams. The Under 13s and Under 11's used Mill Park to play their games and with the help of the clubs and their teams, helped in game days running smoothy by sharing the jobs and rotating the responsibilities that come with using the venue.

The State Winter Championships had a change this year with a focus on providing 1 team for each age group, something I welcomed. The u13's had Nic Papanikolaou take the reins with Steve Buys helping him out. I can't thank Steve enough for his help with Nic and taking him under his wing. Although the u13's didn't have a finish on the podium, they had a fantastic time, enjoyed making new friends and playing ball. Evan Coventry took the u15's a team that was well trained and well coached from the first try out to the Grand Final which saw the DV u15's take out the Championship, congratulations Evan and team! Jason Blakely coached the u17's, with an experienced coaching staff and players the team gave their all and whilst they didn't come away with a trophy, they enjoyed themselves and for some played their last junior tournament as players.

I want to thank the coaches, team managers, players, parents/guardians for all their time and efforts throughout the SWC. The use of a chat group for coaches and team mangers separately was beneficial with discussions and questions coming through and allowed thorough conversations to take place.

Finally, I want to thank all the volunteers and Club officials. Your hard work and dedication to baseball is very much appreciated not only to myself but the district and the league.

Yours Sincerely

Matt Whyte

Diamond Valley Junior President

MELBOURNE WINTER BASEBALL LEAGUE INC.
RINGWOOD DISTRICT JUNIOR BASEBALL LEAGUE – 2025 SEASON REPORT.

This season has been another strong and positive one for the Ringwood District within the MWBL. I'd like to begin by acknowledging our new League President, Natalie Kilby, whose guidance and leadership in her first year have been inspirational. Natalie's balanced and forward-thinking approach has set a clear direction for the league's continued success.

We again experienced record growth across the league, a fantastic outcome that reflects the hard work of our clubs and volunteers. However, this growth has also placed increasing pressure on field availability, creating a genuine scheduling challenge. Addressing this 'field crunch' will require continued collaboration with local councils and Baseball Victoria to ensure our facilities can keep pace with our expanding participation.

The State Winter Championships were another great success, and I'd encourage the league to explore expanding opportunities for players by introducing a second division for U15 and U13, as well as adding a new U12 or U11 division. More teams would mean more players gaining valuable experience at this level of competition.

I'd also like to thank Bel Sadler from Knox for organising a hugely successful Tee Ball Gala, which gave our youngest players a fun and memorable introduction to the game. Our U11 competition also continues to thrive thanks to the efforts of the coaches and clubs who ensure these players have the time and space to develop their skills in a supportive environment.

A special thanks to Pat White in his role as Pennant Chair. Pat has worked diligently to improve the experience for our member clubs and has communicated clearly and effectively throughout the season.

From a broader perspective, I believe there is merit in exploring the combination of districts, such as Ringwood and Diamond Valley, to improve competitiveness and strengthen our divisions. While I understand the logistical challenges for families, particularly within City West, I encourage clubs to consider how structural changes might benefit our players and the sport in the long term.

Finally, thank you to all the volunteers, coaches, coordinators, and families who dedicate their time and energy to making winter baseball such a success. Our league continues to grow because of your passion and commitment to the game.

Best Regards,

Ali Moini

Junior Vice President - Ringwood District

CITY WEST JUNIOR BASEBALL LEAGUE – 2025 SEASON REPORT.

Firstly, I would like to acknowledge and thank Mark Riches for all his work and dedication to City West over the years, his dedication and passion to baseball is second to none and will be sorely missed in the Vice President role for City West.

This year's season was potentially the most challenging with several clubs not fielding winter Junior teams which in turn had a knock-on effect for our State Winter Championship representation. Again, our U13 and U15 competitions were run as rotating centre hubs that allowed teams that were short of players to get "fill in" from other teams so there were no forfeited games. We also formed the CW Connect team to make the 4th team in the U15s to ensure the competition could go ahead.

Our U13 competition had 4 teams: Footscray, Williamstown, Sunshine, and Werribee. The grand final was between Sunshine & Werribee, with Werribee winning 11 - 10. The U15 competition had 3 Teams: Port Melbourne, Sunshine, Werribee and CW Connect. The U15 Grand Final was between Sunshine & Werribee with Sunshine winning 5 - 3.

Looking ahead, I am hopeful that City West will see an increase in the number of junior clubs in our district. This growth is essential to ensuring City West remains viable and competitive in the years to come.

The 2025 Winter State championships.

With a lot of hard work from our league and our coaches and some dedicated volunteers, we managed to enter teams in the U13, U15, & 17U age groups. The 17U's being the hardest to field the team, due to City West not having any 17U teams. A big thanks has to go out to Sunshine and Port Melbourne for allowing our teams to use their facilities for the championship team training.

2025 Winter Championship teams:

U13 team

Coaches: Kelvin Hartigan, Daniel Webster & Troy Lapins

EO: Emma Lapins

Scorer: Shannon Coone

U15 team

Coaches: Jacob Holley & David Rowlands

EO: Vicki Mea

Scorer: Kerry Leigh

17U team

Coaches: Neil Southwell, Todd Messinger & Ian Jamieson

EO: Carla Jamieson

Scorer: Elli Every

I would like to thank all the Coaches, Junior Coordinators and families for all your support and efforts. Without you all the challenge we set ourselves to run the City West hubs would not have happened. Whilst it was tough at times, I believe all players enjoyed the experience and will be back next year representing CW again.
